

High-Volume Bussing System

Model SP-4398 - Stainless Steel/Laminate

This high-volume bussing cart was designed in concert with a major theme park for bussing and cleaning in one of their busiest restaurants on the property.

All you need at-the-ready without time consuming runs to back-of-house during peak hours.

- Durable stainless steel construction with attractive laminate finish
- Multi-purpose front-of-house use
- Storage for cleaning supplies
- Waste receptacle with convenient chute
- Convenient caddy for brooms, mops
- Solid shelves for bus tubs

WARNING

This product can expose you to wood dust and chemicals including chromium, which are known to the State of California to cause cancer. For more information go to: www.P65Warnings.ca.gov
