SP-8643

Isle 'n Go

*Attractive, mobile
merchandising cart with
quick-change signage*

Reverse side of signage board

- Easily add a “pop-up” merchandising station in remote or non-traditional areas
- Height adjustable shelves accommodate various sizes of food, items or merchandise
- Quick-change signage can be updated with different messages, menus, graphics, etc.
- Signage board also accepts magnetic signs
- Steel tube frame provides stability and durability
- Easily transports with all-swivel casters

WARNING

This product can expose you to wood dust and chemicals including chromium, which are known to the State of California to cause cancer. For more information go to: www.P65Warnings.ca.gov
